Case No. 12 Civ. 4339
(ALC)(JLC)

STATUS REPORT

1-15-15

-----X

The parties to this matter, through undersigned counsel and pursuant to the Court's October 22, 2014 Order, respectfully submit this status report regarding settlement negotiations. By Order dated September 29, 2014, the Court denied both parties' motions for summary judgment and granted defendants' motions for decertification. The decertification said that opt-in plaintiffs were no longer allowed to pursue their claims in this action. The claims that remain are those of the named plaintiffs. The opt-in plaintiffs' claims were dismissed without prejudice, and the opt-in plaintiffs intend to pursue these claims in this case or in a separate action.

Thus far, there is no agreement to resolve any of the claims. The court has scheduled a settlement conference with Magistrate Judge James Cott for January 21, 2014, which will concern only the pending claims of the named plaintiffs.

It is our understanding that if this case does not settle, the pending claims would proceed to trial.
